

InBáze z.s. invites you to **take part in a survey on the topic of civic and political engagement of Prague residents with migrant background<sup>1</sup>**.

The survey will focus on identifying the basic needs and experience of Prague residents with migrant background in the field of civic and political participation in the Czech Republic.

**Are you active in your community/neighborhood?**

**Do you enjoy helping others?**

**If you answered yes to at least one of these, contact us.**

At the first stage of the survey, we are looking for **respondents to take part in a focus group** (a moderated discussion), where we will talk about your experience with civic and political engagement in the Czech Republic.
